

Darts Ontario Affiliate Team Event – Info & Registration – **Deadline January 24th**

Q: What is the Affiliate Team Event?

A: This event is an opportunity to represent your league and compete against other leagues in the same division for the championship title and prizes from Darts Ontario. Along with bragging rights, the league of the winning team from each division hosts the following year's event. When we win, the other leagues have to travel to Brampton if they want a shot at next year's title.

BBDL has consistently won at least one division and sometimes even two. Due to the size of our league, we are permitted to send multiple teams. Submit a team before **Jan. 24, 2012** and help keep the winning tradition going strong.

Q: How many players per team?

A: The event is an 8 player team format consisting of doubles and singles matches. You are allowed to have 9 players on the team. You **MUST** have at least 8 players present in order to play the match. No dummy players are permitted.

Each team **MUST** have a non-playing captain in addition to the 8 or 9 players.

Q: How much does it cost?

A: There is no cost to the BBDL team or the non-playing captain. BBDL will pay the \$30 Darts Ontario fee per team.

Q: Who can submit a team?

A: Any member in good-standing of the BBDL league.

Q: How do I register a team?

A: Once you have found a non-playing captain and 8 or 9 reliable players in the same division, the next step is easy. All you have to do is send an email to randymccoy180@bell.net by **Jan. 24, 2012**

Be sure to include:

1. The division you are playing in. (you can play in a higher division if you choose to)
 2. Full names of all players.
 3. Full name of the non-playing captain.
-

Q: Where is the event played?
